

II. Remarks

Please enter the foregoing amendments and consider the application. No new matter is believed to have been added.

In response to the prior final rejection, to the extent that it is understood, Applicant has complied with the duty of candor, and the Patent and Trademark Office cannot ignore what has been presented, even if there is not sufficient information to complete a PTO form. As to the art rejections, to the extent they are understood, there is no showing of any waybill or signals pertaining thereto. No linking step has been shown either.

An interview is requested with the Supervising Primary Examiner's participation.

As amended the above-identified patent application is believed to be in condition for allowance, and favorable action is respectfully requested.

The Commissioner is hereby authorized to charge any fees associated with the above-identified patent application or credit any overcharges to Deposit Account No. 50-0235.

Please direct all correspondence to the undersigned at the address given below.

Respectfully submitted,
